INSTRUCTIONS

The materials in Resource Booklet 93401R will enable you to become familiar with the theme and contexts of this examination: **Technology in a geographic context**.

Your answers to ALL three questions must incorporate a wide range of case studies from around the world, as well as information and ideas BOTH from the materials provided in the resource booklet and from your studies in geography.

Information to answer any question can be taken from any resource. Key ideas should not be repeated in your answers to different questions.

Space for planning has been provided on pages 4, 10, and 16 of this booklet that will help you prepare your responses. The questions on page 3 are repeated on their respective planning pages.

Begin your answer for Question One on page 5, for Question Two on page 11, and for Question Three on page 17.

QUESTION ONE (8 marks)

Choose what you consider to be the one main consequence on the natural environment, due to technological advancement. Critically evaluate and justify your choice.

Your answer must include:

- specific information from the resource booklet
- knowledge and insight you have gained from your studies in Geography
- convincing communication
- relevant original and/or effective visuals, such as maps, graphs, and diagrams.

Use page 4 to plan your ideas, and begin your answer to Question One on page 5.

QUESTION TWO (8 marks)

Perspectives are bodies of thought, theories, or world views that shape people's values.

Has technology come at a cost to the cultural environment? Critically analyse, from a range of perspectives.

Your answer must include:

- specific information from the resource booklet
- knowledge and insight you have gained from your studies in Geography
- convincing communication
- relevant original and/or effective visuals, such as maps, graphs, and diagrams.

Use page 10 to plan your ideas, and begin your answer to Question Two on page 11.

QUESTION THREE (8 marks)

Discuss the importance of technological innovations towards ensuring a sustainable future for local and global citizens.

Your answer must include:

- specific information from the resource booklet
- knowledge and insight you have gained from your studies in Geography
- convincing communication.

Use page 16 to plan your ideas, and begin your answer to Question Three on page 17.
